## Chairman's Report

Well, we have just had another great **Watermark Exhibition** in the Cygnet Town Hall.

By all accounts, both from artists and visitors, it has been our best yet. With over \$10,000 paid out in prize money and around 30 pieces selling out of around 150 pieces displayed.

The standard of work has continued to improve and all those who contributed are to be congratulated.

Watermark has gained a reputation as a quality, well run exhibition and this year was no exception.

The HAEG committee did a terrific job with many hours put in to make it a success, considering their time was all donated free of charge to make it happen.

It truly is a community based show and brings locals together to view and discuss work. It also inspires those who have considered showing their work but haven't done so yet. You could put something into our next major exhibition - **Southern Exposure** in March 2014.

So well done to all involved with Watermark 2013 and I hope that you will all continue to do great work in the future and don't forget that our Lovett

Gallery under the Cygnet Town Hall is always looking for **new work** from our members.

Regards

**Richard Stanley**

## "Watermark 2013"

Watermark is over for another 2 years being well attended with approximately 1500 visitors, many impressed with the high quality of artwork on display.

The Huon Art Exhibitions Group Inc. would especially like to thank the Huon Valley Community Bank Branches - our major sponsor - for giving us the opportunity to raise the value of our awards from previous years. (Further details of winners and a selection of Watermark photos over page..)

The overall winner this year of **The Watermark Award AND The Bendigo Bank Acquisition Award** was Vivienne Dick with her beautiful work "The Cove". Congratulations Vivienne!

## Not Happening Yet ... Gallery Sitters please help with this

We are required to keep a strict control over works we have - which are of course actually ON LOAN to the Gallery. This means that at all times we need to maintain a list of works and their value.

Whilst it is preferable that a committee member always receive new stock/hand over 'old' stock, this is not always convenient for exhibiting members. Note that if changing stock, the **Tracking**

**Docket** and the **Artists Register** must be completed. It is also helpful to make a note in the Daily Record Book.

When **NEW** work is brought in, a **Tracking Docket** must be filled in, a **Lovett Gallery title card** put on the **back** (until it can be hung) and details filled in under your name in the **Artists Register**, (writing in any new work, and marking as 'taken' any work

that is removed). **NEW** work **MUST NOT** be hung/installed without permission. Works must be kept (preferably wrapped) under the desk or in the store-room **TO BE HUNG BY COMMITTEE** when space becomes available.

*We need everyone to understand and help us to maintain our system. Your assistance will make the job much easier...*

## TRA Travelling Exhibitions

An exhibition by the Basketmakers of Tasmania "gather" has been booked for the Lovett Gallery for July.

These beautiful baskets are from the recent group exhibition gather, which was an expression of all the ways we 'gather' - materials, information, friends, and so on.

It is a collection of sculptural works, utilitarian baskets, and also works to hang.

These works of art are by 15 of the best basketmakers in Tasmania and are made of natural materials, plant fibres and textiles - dyed and natural.

They reflect the many and varied styles of the basketmakers.

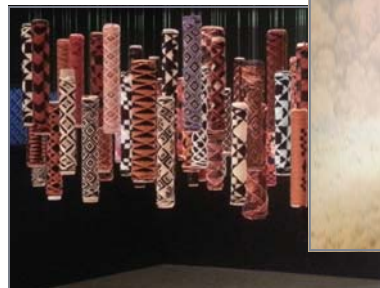

We are hoping to organise a basket-making workshop during July to complement this exhibition - expressions of interest to Robin Winter - [robinmwinter@gmail.com](mailto:robinmwinter@gmail.com). Dates, times and cost will depend on numbers.

## APT7 - the 7th Asia Pacific Triennial of Contemporary Art

First held in 1993, the current scale and form of the Asia Pacific Triennial could hardly be imagined in 1990 when first conceived.

The flagship exhibition series held at Queensland Art Gallery/Gallery of Modern Art (QAG/GOMA) has geographical and cultural focus on Australia and its neighbours. The exhibition has expanded over the years to include cinema, music and performance being part of the dynamic experience. Leading artists from China, India, Malaysia, Papua New Guinea, South Korea and many more from the Asia Pacific area exhibited new and recent works.
